Join Us for Jason Schechterle's inspiring talk on **November 15th at 10:00am.** Family, Friends & Staff are welcome.

"WILD AT HEART" Bird Presentation

Wild At Heart is a rescue, rehabilitation and release center for birds of prey. Its primary purpose is to rescue injured owls, hawks, falcons and eagles; rehabilitate them; and, ultimately, release them back into the wild. Its guiding mission is to do what is in the best interest of these magnificent birds.

At Wild At Heart we do all the following:

- Rescue, rehabilitate, and release birds of prey that have been injured or orphaned.
- Relocate displaced burrowing owls.
- Manage species recovery programs.
- Manage habitat enhancement projects.
- Provide educational presentations.

Legacy will be hosting "WILD AT HEART AZ" on Thursday, November 1st, from 3pm-4pm in the MPR Rooms.

Please join us in learning about these beautiful birds.

Family, Friends and Staff are welcome.
