"ALL ABOUT COFFEE" CLASS

Have you ever wanted to learn about different types, strengths, brews and flavors of coffee? "Picture This Innovations", headed by Chris Simmons, will be conducting an interactive coffee class for us in March. This class will be interactive, as in you will be taste testing coffees, so if you have a favorite mug to bring, please do so! According to Chris, the best way to cleanse your palate is with CHOCOLATE, which we'll have available as well. Please join the first of these classes that we'll be partnering with "Picture This" and Chris to offer monthly. See you there!

FRIDAY, March 13th at 10:00am in MPR 2

"CLASSICAL WINDS" Concert

Legacy Retirement welcomes "Classical Winds Trio" which is composed of 2 instrumentalists & 1 lead vocalist. This will be their first performance here and I'd love some feedback, so please come out to support them and our community!
